

YSV 63

YACHT SUPPORT VESSEL - 63 m

Flagship of our Yacht Support Vessel range, the PIRIOU YSV 63 can operate in all seas and all weathers. Her huge potential opens up a range of possibilities with unparalleled internal volumes and carrying capacity for her size.

The upper deck seals an impressive internal volume which can house numerous tenders and other sea and land vehicles.

It is also a unique location for holding prestigious events with a large number of guests.

Her incredible range of 5,000 nautical miles at high cruising speed means she can deploy anywhere, in a very short time.

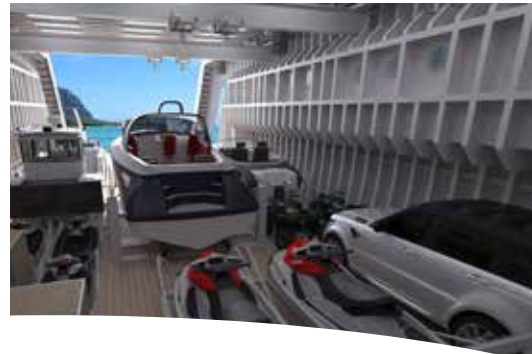

Internal spaces are entirely customizable and, for lovers of freedom and adventure, can even serve as a mother yacht.

With the YSV 63, PIRIOU has designed a cutting-edge ship to make yachts owners life easier.

- Highly versatile transatlantic vessel
- Specially designed for tenders and toys carrying and launching
- 17 knots maximum speed
- 5000 NM range at 17 knots
- Helideck MCA LY3, 5000 kg (i.e. EC155)
- Owner's saloon and suite for temporary transit
- Reception and events facilities
- Diving facilities for 6 divers
- Supply duties
- Security facilities for yacht safety
